

# Our Values

## 7 THINGS EFFICIENCY NORTH IS BUILT ON

### We save

We work hard to save money for our members. We turn savings into cash that adds value for them.

### We aim high

We focus on achieving the best results however impossible targets may seem. We dare to be different.

### We enjoy

Making our members and their customers happy makes us happy too.

### We're aware

We value everyone's contribution. We're always interested in finding out what's new.

### We give

We do well by people. If we know we can make a difference for them we will.

### We care

We believe that our kindness counts. We treat everyone with respect.

**We make it happen  
together**
